# INTRODUCTION

## TO AQUAPLEX

Established in 1998, Aquaplex is the recognised premier independent MEP distributor of plumbing, electrical, hardware and construction industrial products required by the construction and building sector.

Aquaplex has its wings spread across UAE, Bahrain, and Qatar supporting construction industry through our partner retailers and project division (Institutional Sales Division) with a wide range of MEP products and solutions, offering over 4000+ products with a strong and dedicated team of over 100+ individuals across Middle East.

Aquaplex is a key authorized distributor for 45+ internationally reputed brands and continues to add new brands to its offering.

## SERVICE

# EXCELLENCE

Aquaplex has seen a continuation of recognition from its customers and suppliers over the years. Our ability to consistently meet and exceed our customer's expectations has helped build the reputation of being a reliable partner.

We continue to build strong relationships with customers, partners, employees and the wider community to ensure satisfaction for all stakeholders and propel the business rapidly and efficiently.

# MESSAGE FROM OUR CORE TEAM

For over 20 years, Aquaplex has been a leading provider of quality products and is continuously striving for growth and efficiency in operations in the MEP industry.

Through a combination of professional excellence and in-depth understanding of our industry, we have managed to deliver several projects that have helped us grow and remain resilient despite challenging market conditions.

That's not all, true to Aquaplex's guiding philosophy, we have and will continue to do our best to meet the expectations of our many stakeholders, strive for quality in everything we do, and leverage diversity across Aquaplex.

As an organisation, we look forward to a new era of growth as we continue to pursue new opportunities that maximise value creation for our stakeholders.

**“We have earned the trust and respect of our customers and dealers with great services, JIT deliveries and competitive pricing.”**

## VISION

To be prominent distributors of best-in-class hardware, electrical and plumbing solutions at competitive price points.

## MISSION

To maintain highest standards in all our operations and to provide solutions that create a positive impact on the communities we live and work in.

## VALUES

To create value with values in place.

# PRODUCT RANGE

## Piping Systems

Our extensive range of pipes and pipe fittings cover almost every application in the building industry and feature some of the world's leading brands well known for their superior quality.

## Kitchen & Bathroom Fittings

We offer a wide range of high quality products that cover all of your bathroom fixtures and sanitaryware requirements.

## Waters Heaters, Filters & Pumps

We feature a wide selection of premium quality water heaters, water filters and pumps that conform to the best in safety & performance standards.

## Electrical & Lighting Products

Our premium range of electrical products and lighting accessories have been specifically sourced to make us the ideal choice for all your needs.

## Tools & Consumables

We offer a comprehensive selection of tools and consumables for the building industry and are well stocked to offer a vast range for the professional builder and handyman alike.

## ASSOCIATED WITH PROMINENT BRANDS

# WHY PARTNER WITH US

“Our business model has been carefully crafted to support the success of national and regional development strategies.”

Aquaplex is the ideal business partner because of our depth of experience in the region and industry, our aptitude for flexibility and scalability, and not last but not the least, our people - who with their commitment, training and empowerment, ensure our success is your success.

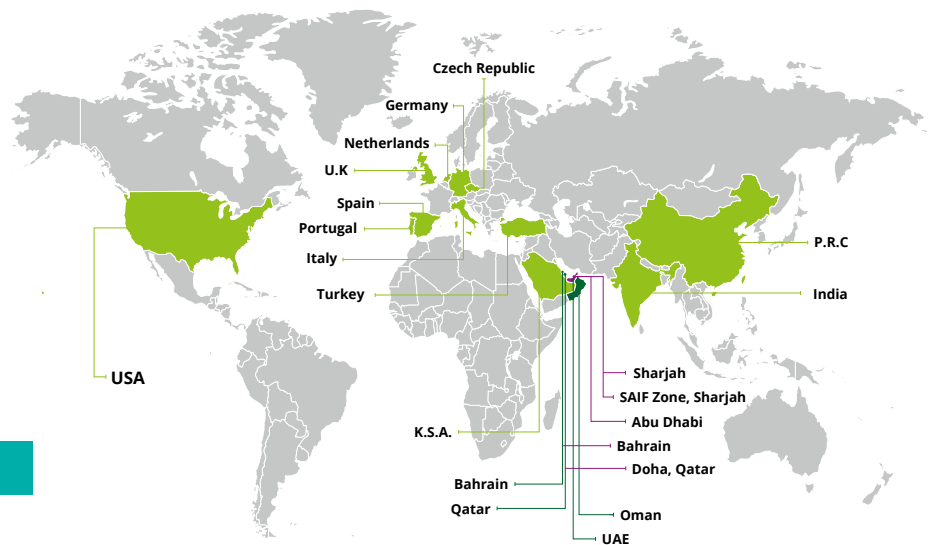

Reputed Quality Products

Complimentary Knowledge Sharing Platform
